SKILLS

- **UIUX Applications** - Figma, Framer
- **Project Management** - Jira, Notion
- **Design Applications** - Photoshop, Illustrator, Affinity

WORK EXPERIENCE

UIUX Designer | **UNO Technologies, Singapore** *Oct 2023 - Jun 2026*

- **End-to-end product ownership:** Led the design of Scrubsheet a web-based platform connecting clinics and doctors. Designed and shipped 20+ core features across 3 groups of users from discovery through launch.
- **User research and insights:** Conducted interviews with 5 users and gathered on-the-ground feedback to uncover usability gaps and workflow pain points. Synthesised research insights into design improvements and new features.
- **Project Management:** Worked closely with developers while managing 200+ design tickets, prioritisation, and ongoing testing to support continuous product iteration.
- **Prototypes and design system:** Designed clear user flows and interfaces, and maintained a design system of 100+ components to ensure visual consistency and efficient iteration across the product.
- **Created copywriting style guide:** Built a copywriting style guide to improve clarity and consistency for a user-facing document with 200+ articles.

UIUX Design Intern | **Aevice Health, Singapore** *Dec 2022 - Jun 2023*

- **Enhancing Web App Design:** Applied design thinking to drive the web app's improvement. Conducted user research and user analysis. Crafted wireframes and hi-fi prototypes, which underwent usability testing to validate its effectiveness.
- **Maintained Design System:** Improved and introduced components, optimise organisation to improve cohesiveness and efficiency across designs. Developed an organised illustration style guide, ensuring consistent visuals throughout the app.
- **Aided Strategic Branding:** Advised on tagline creation. Collaborated with different stakeholders to align on business goals and product strengths and benefits to highlight.

EDUCATION

National University of Singapore (NUS) *Aug 2018 - Mar 2022*

- Graduated with a Bachelor of Science (Honours) in Life Science with a Minor in Public Health
- Played an active role in Eusoff Hall, as the head of publicity and design committees. Led a team of 11 members, initiated social media campaigns and spearheaded the annual yearbook design.
